STRAKE JESUIT

College Preparatory
Office of the President

Dear Graduates of the Class of 1985,

Each of you has made a unique and valuable contribution to the Strake Jesuit Community. Because of you we have grown stronger and because of you we are better. This Yearbook presents some of your achievements and contributions which have fostered Strake Jesuit's growth and development. Each event has special meaning and value for you and for all of us because each activity adds to the totality we know as Strake Jesuit. When all members of a community actively participate, the entire community grows and benefits. We are deeply grateful to you for all you have done to make this possible.

Community means sharing, caring, and mutual support. Community doesn't just happen, it is a value that is seen and desired; and as such, must be worked for by all concerned. It is a Spirit-filled gift which is offered by God. When we respond to that offer and accept the gift, we realize the wonder and beauty that true Community is.

You have received that gift and therefore have known Community and its marvels. Remember what you have known and shared, take it with you and share it with others. In doing this you will continue to be and to develop into the best person you can be. Then you will be the "Men for Others" your Alma Mater urges you to be.

We congratulate you, we thank you, the Class of 1985.

Sincerely in Christ,

Edgar A. Maresma, S.J.

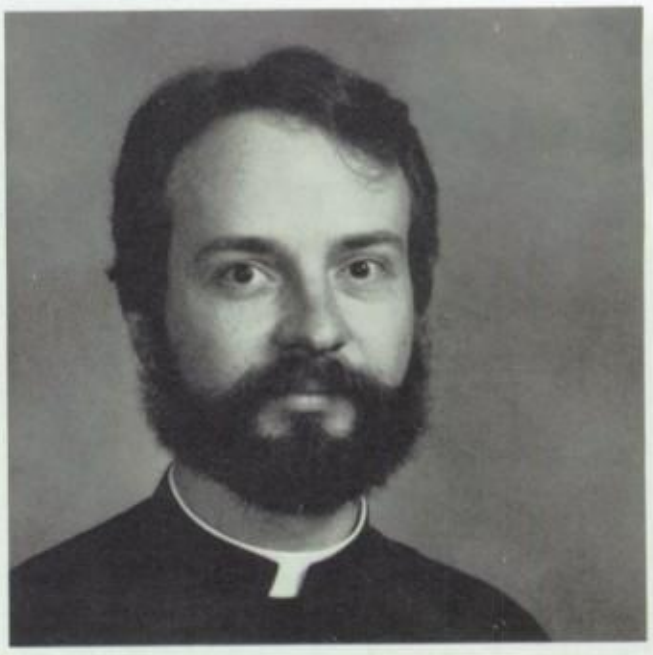
STRAKE JESUIT

College Preparatory

Office of the Principal



Dear Members of the Strake Jesuit Community,

It is a strange experience to sit down in the middle of the school year to write a letter which no one will receive until many months later. When this message is read, you students will be in the next year of school, you who are Seniors now will be alumni, there will be new Freshmen in Jesuit's halls and classrooms, and the rest of us teachers and parents will just be a little older and, we hope, wiser.

I also hope, however, that we will be able to look back at a school year which had its share of joys and sorrows, of work and play and prayer, of disappointments and triumphs, and see that by experiencing it all together we became more of a real community. Losing a game or doing poorly on a test became bearable when we were supported by our friends. Winning a tournament or making the Honor Roll tasted sweeter when there was someone to share it with. Spending long hours rehearsing a play or preparing for the Spring Fling changed from drudgery to challenge because we were in it together.

My prayer for all of us who were involved with Strake Jesuit this year is that we learned there that we are and must be important to each other. Our God created us to live and work together and told us that above all we must love each other as He loves us. Let us ask Him to bind us closer to Himself and to each other so that we all--parents, teachers, students, and alumni--glorify Him in our mutual support and love.

Yours in the Lord,

Francis W. Huete, S.J.

STRAKE JESUIT
College Preparatory

Dear Class of '85:

Four years ago we came to Jesuit. As Freshmen, we entered a new environment. Through the years we have made many friends, met many challenges, endured and succeeded together. It is each individual that makes the class of '85 so unique. One of the most important things we have learned in the past four years is the importance of giving.

Soon, we will be Freshmen all over again. We will enter a new environment, make friends, meet challenges, and above all - succeed ! Strake Jesuit has prepared all of us for the future. It is with confidence that we move on.

Finally I would like to thank the faculty, parents, and alumni for their continued support - and for putting up with us ! Although not often expressed, it is very much appreciated. Thank you and Good Luck in the future.

Sincerely,

B.J. Johnson

Spring Fling Meets Goals

Under the leadership of Mrs. Sally Landram, chairperson of the Mother's Club project, the Spring Fling raised $83,000 for the scholarship fund. The fund was established to help those who would otherwise not be able to attend Strake Jesuit. Once again Mr. Santarcangelo's homeroom sold the most tickets.

The top raffle ticket salesmen were:

Brian Breen	$2325

Seniors Celebrate Final Mass

The traditional Baccalaureate Mass was celebrated on May 25th at St. Francis de Sales Church with Fr. Maresma as principal celebrant. In his homily, Fr. Maresma stressed to the graduates their responsibility to "Go preach Christ." Jerry Kramer chose this occasion to confirm that, yes, he was entering the seminary. After the shock was over the mass continued with the beautiful music of the Strake Jesuit — St. Agnes Liturgical Singers.

Seniors Go Out in Style

On May 25th at the Arena Theatre the Class of '85 became the 21st graduating class of Strake Jesuit College Preparatory. Although there was a delay initially, the ceremony was beautiful and dignified. Fr. Maresma presided over the ceremony with Fr. Huete, Mr. Nevle, and Mr. McArdle assisting. Beau Duarte and Owen Davies were honored as Valedictorian and Salutatorian, respectively.

The 1985 track season could be considered one of the best seasons Strake Jesuit has had. Once again our men competed in an extremely difficult schedule. Most coaches considered Strake Jesuit's 1985 team as one of the best teams in Texas. The finishing touches were put on a very successful season by scoring a total of 234 points and capturing nine first place finishes in the T.C.I.L. state meet. This set a new T.C.I.L. record. All-state honors went to: C. Gessler, D. Narcisse, C. Reinecker, T. Manning, S. James, T. Hoffman, A. Jackson, M. Schrier, S. Sipe, A. Carpenter, G. Etgen.
